

# Jonathan H. Dang, MD

8765 E Bell Rd Ste 104  
Scottsdale, AZ 85260

Office phone: (480) 970-2580

## WORK EXPERIENCE

04/2026 - present    Plastic Surgeon

Guerra Plastic Surgery Center, Scottsdale, AZ

- performed cosmetic surgery of the face, breast and body at a high volume practice
- collaborated with senior surgeon in the practice to deliver optimal patient care and results
- focused on individualized patient care using evidence-based medicine
- created high-engaging social media content for the practice

08/2024 - 03/2026    Associate Plastic & Reconstructive Surgeon

Regency Specialties, Phoenix, AZ

- Performed various cosmetic and reconstructive procedures including Moh's reconstruction, breast reconstruction, hernia repair, various cyst/keloid/soft tissue mass excisions, pilonidal cyst excisions, breast augmentation, breast lift, blepharoplasty, and panniculectomy
- Collaborated with dermatologists and breast surgeons to develop personalized treatment plans for patients, ensuring optimal outcomes

## UNDERGRADUATE EDUCATION

8/2005-5/2009        B.S., Human Biology. University of Texas at Austin

## MEDICAL SCHOOL EDUCATION

7/2010-5/2014        M.D., Texas A&M Health Science Center College of Medicine

## POSTGRADUATE TRAINING (RESIDENCY)

- 7/2014-6/2017 General Surgery Residency PGY1-3, Methodist Health System, Dallas, TX
- 7/2017-6/2018 Mt. Sinai Services at Queens Hospital Center - Transition to Practice Fellowship  
Queens, NY
- 07/2018-06/2020 General Surgery Residency PGY4-5, New York Presbyterian Queens, Queens, NY

### **POSTGRADUATE TRAINING (FELLOWSHIP)**

- 07/2020-06/2023 University of Florida Plastic & Reconstructive Surgery Fellowship, Gainesville, FL  
Program Director: Dr. Jessica Ching, MD, Division Chief: Dr. Bruce Mast, MD
- 07/2023-06/2024 North Texas Plastic Surgery Aesthetic Fellowship (ASAPS Endorsed)  
Fellowship Director: Dr. Sacha Obaid, MD - high volume aesthetic practice with robust fellow clinic in the Dallas/Ft. Worth metroplex

### **TEACHING**

- 4/2015 Grand Rounds Lecture: The Influence of War in Trauma Surgery
- 5/2015 Basic Science Lecture: Peripheral Vascular Trauma
- 4/2017 Grand Rounds Lecture: Facial Soft Tissue Reconstruction: Local and Regional Flaps
- 4/2017 Instructed junior residents on basic laparoscopic operations and trauma exposure during cadaver lab
- 2/2020 Grand Rounds Lecture: Millennials in Surgery
- 4/2021 Aesthetic Grand Rounds: Brow lift, Eyelid Ptosis, Blepharoplasty, Ophthalmologic Evaluation
- 11/2021 Head/Neck Reconstruction Grand Rounds: Eyelid Reconstruction
- 8/2022 Head/Neck Reconstruction Grand Rounds: Nasal Reconstruction

### **OTHER PLASTIC SURGERY TRAINING/EXPERIENCE**

- 03/2023 - 04/2023 Externship - Asian Facial Plastic Surgery at Enhance Medical Center, Beverly Hills, CA (Asian rhinoplasty, double eyelid surgery, genioplasty)  
Director: Dr. Charles Lee, MD, FACS
- 05/2023 Interplast South - Cleft palate/lip Medical Mission Trip, Honduras  
Director: Dr. Ashley Lentz, MD

### **Scholarship**

\*Peer reviewer for the *Aesthetic Surgery Journal* - total manuscripts reviewed = 10

### Peer-reviewed publications in the primary literature

1. Nichols, D.S., Fenton, J., Cox, E., Dang, J., Garbuzov, A., Chim, H. (2022, October 28). Surgical Interventions for Lumbosacral Plexus Injuries: A Systematic Review and Presentation of Two Cases. Plastic Surgery The Meeting (ASPS), 2022/Boston, MA, USA. Accepted for publication in *PRS Global Open*
2. *Optimal Practice Modeling for Non-surgical to Surgical Aesthetic Procedures in Plastic Surgery* - Retrospective chart review comparing 2 practice models: One in which the surgeon provides both non-surgical and surgical treatments and the other in which a physician assistant or nurse practitioner provides the non-surgical treatment. Published in *Annals of Plastic Surgery*, Vol. 94, No. 6S, June 2025
3. E. Huq, L. Zhu, J. Dang, H. Shen. 2011. Antagonistic Regulation of Photomorphogenesis by Oppositely Acting bHLH Transcription Factors in Arabidopsis. *The Arabidopsis Information Resource*, publication:501746540.

### Ongoing Research Studies

1. *Reverse BBL - A Google Trends Analysis* - coauthor, manuscript in progress. Abstract presented at The Aesthetic Surgery Meeting, Miami, FL 2023
2. *Extended Superomedial Pedicle Breast Reduction, a 10-year Experience*. Retrospective review and clinical outcomes study. Status - submitted to *PRS Global Open*. Role - data collection. Presented at Florida Society of Plastic Surgeons, 2021
3. *Improving Patient Satisfaction Scores in Body Contouring Preoperative Consultations*. Randomized controlled trial where patients are given informative handouts prior to the initial body contouring consult and determining effect on patient satisfaction. Status - patient enrollment. Authors - Dang, Satteson, Johnson-Mann, Virk, Bryan
4. *Surgical Interventions for Lower Extremity Neuropathic Pain in Non-diabetic Patients: A Systematic Review*. Status - initial study screening using PRISMA guidelines. Authors - Chim, Nichols, Dang
5. Clinical Outcomes Study - role of fat grafting in implant-based breast reconstruction in patients who develop capsular contracture. Retrospective study. Status - data collection/chart review. Principle Investigator - Dr. Jerry Chang. Long Island Plastic Surgery Group.
6. QI Project - improving patient satisfaction scores. New York Presbyterian Queens. 2019
7. QI Project - member of the Falls Committee. Goal - to prevent falls and reduce falls with injury within the hospital. New York Presbyterian Queens. 2018
8. Intussusception in the Adult Population - case report. Role: primary author. Status - submitted to *The American Surgeon*. 2017
9. GIST of the Small Bowel - case report. Role: co-author. Status - poster presentation at *Southeastern Surgical Congress and Queens Hospital Center Research Symposium*. 2017
10. Robotic Renal Autotransplantation for Loin Pain Hematuria Syndrome - case report. Role: co-author. Status - in progress. 2017
11. TLSO Bracing in Non-operative Traumatic Thoracolumbar Fractures. Retrospective, single-institutional outcomes study. Role: chart review, consenting patients. 2016.

### Previous Research Experience

1. Research Assistant – The University of Texas at Austin, Department of Molecular Cell Developmental Biology (2006-2009)
  - Characterization of bHLH transcription factors and their role in light signaling pathways in *arabidopsis*
  - Principal Investigator – Dr. Enamul Huq
  - Poster presentation – University of Texas Annual Research Forum (2008, 2009)
2. Research Assistant – Texas A&M Health Science Center College of Medicine, Department of Microbial and Molecular Pathogenesis, College Station, TX (2011)
  - Analyzing the effectiveness of novel FDA-approved compounds used to circumvent bacterial resistance using *s. typhi* as a model
  - Principal Investigator – Dr. Robert Alaniz
  - Poster presentation - Annual College of Medicine Summer Research Poster Presentation (2011)

## Conferences

2015	ACS North Texas Chapter Meeting - Dallas, TX
2016	ACS North Texas Chapter Meeting - Dallas, TX
2018	Southeastern Surgical Congress - Tampa Bay, FL - oral presentation
2019	ACS Congress - San Francisco, CA
2021	University of Florida Resident Research Symposium - podium presentation
2022	University of Florida Resident Research Symposium - podium presentation
2022	Plastic Surgery The Meeting (ASPS) - Boston, MA
2023	Baker Gordon Symposium - Miami, FL
2023	University of Florida Resident Research Symposium - podium presentation
2024	The Aesthetic Society Meeting (ASAPS) - Vancouver
2025	ASPS Spring Meeting - virtual

## Honors & Awards

5/2006-5/2009	University Honors
9/2006	University of Texas Intramural Strength Champion
5/2007-5/2008	University Co-op Fellowship Award
6/2008	UT Austin College of Natural Science Summer Fellowship Award
5/2009	Departmental Honors in Biology
5/2009	UT Austin College of Natural Science Scholar
5/2021	UF Department of Surgery Resident/Fellow Teacher of the Year

## Certifications/Licensure

Board Certification in Plastic Surgery - ABPS, 2025  
Board Certification in General Surgery - American Board of Surgery, 2021  
Arizona Medical License (expiration 08/2027)  
Texas Medical License (expiration 05/2027)  
FLS (Fundamentals of Laparoscopic Surgery)  
FES (Fundamentals of Endoscopic Surgery)  
ATOM Certified - Advanced Trauma Operative Management  
ATLS (Advanced Trauma Life Support)  
ACLS/BLS - up to date

## Hobbies, Interests

Facial sketching, weight training/fitness, piano
